Welcome!

Give your child the opportunity to explore, discover and learn within our amazing natural surroundings.

Let us celebrate with you, your child's individuality and provide opportunities for them to play, learn and grow.

At Saranna Childcare...

Children at Saranna Childcare Centre are able to enjoy outdoor spaces with plants, trees, rocks, mud and water not just sometimes... but EVERY DAY!

Creativity is encouraged... Play is valued as the vehicle in which our children learn to make sense of their world so our program is built around this.

Educators invite open ended interactions, building relationships, spontaneity, risk taking and a connection with nature.

We value parents as their child's first Teacher and aim to work together with parents, encouraging involvement, feedback and communication to create the best possible experience for both children and families.

*Home cooked baking,
nutritious meals & snacks
every day!*

We love Saranna. The staff are great and they really care for the children. My son's behaviour and speech has improved significantly and he is much calmer.

Educational programs...

We provide a supportive active learning environment that encourages children to engage in learning.

We ensure this through our welcoming, vibrant and flexible play and learning environment that focuses on children's interests and strengths, building learning experiences around these. We ensure that parents/guardians are also actively involved in their child's learning journey.

All the centres programming is based on Belonging, Being, Becoming: The Early Years Learning Framework.
