cyrenianhouse.com

Cyrenian House is a not-for-profit non-government organisation that has been operating within the alcohol and other drug (AOD) treatment sector since 1981. Cyrenian House has demonstrated an enduring capacity to deliver a professional and effective treatment service and is one of the leading AOD treatment services in Western Australia.

Cyrenian House supports and upholds a robust standard of cultural competence by recognising cultural needs and reviewing programs to ensure they meet the needs of Aboriginal, Torres Strait Islander, CaLD and LGBTQI+ communities.

*All services provided
are confidential
and free of charge*

Cyrenian House acknowledges the past, present and future custodians of this land and recognise our services are situated on Nyoongar and Yawuru Country.

*Cyrenian House is certified against the
Alcohol and Other Drug and Human Services
Standard and the Australasian Therapeutic
Communities Association Standard.*

Nannup Withdrawal Unit

The Nannup Withdrawal Unit is a unique partnership between Cyrenian House and Richmond Wellbeing. The service offers a person centred “no wrong door approach” to support individuals experiencing alcohol and other drug and mental health related issues. We provide a safe supportive residential environment, where individuals can undergo a low medical withdrawal program to assist them to achieve their identified goals.

Set in one of the most picturesque areas of the South West of Western Australia, the low medical withdrawal unit is co-located within the Nannup Therapeutic Community.

Cyrenian House

Cyrenian House is a not-for-profit, non-government alcohol and other drug treatment service, providing a range of residential and non-residential services to individuals, families and friends who are experiencing difficulties with alcohol and drug use.

Richmond Wellbeing

Richmond Wellbeing is a not for profit, non-government mental health service who provide a range of residential and non-residential services to individuals, families and friends to support their personal recovery journey.

Services

- Individually tailored withdrawal program, in partnership with health professionals
- A structured but flexible program, including comprehensive assessment of needs and treatment planning
- 24-hour residential care and support with medical and psychosocial support offered by experienced AOD/Mental health clinicians
- Assertive referral to community-based support and counselling services where appropriate
- Referral to residential treatment and support services where appropriate
- Maximum length of stay 14 days
- A smoke free environment
- Free of charge

This service is suitable for:

Individuals experiencing problems as a result of their substance use, (including those experiencing co-occurring mental health and substance related challenges) who require;

- A short-term residential low medical withdrawal program, prior to attending residential rehabilitation program
- A short-term residential low medical withdrawal program , prior to returning to the community.
