After many visits to rehab it's wonderfully refreshing to attend a detox unit. What I experienced at SWU is welcoming, nurturing, calming and truly understanding to my situation. I have nothing but positive praise for SWU staff. I am so grateful my recovery is beginning.

harm-free
communities

Cyrenian House is a not-for-profit non-government organisation that has been operating within the alcohol and other drug (AOD) treatment sector since 1981. Cyrenian House has demonstrated an enduring capacity to deliver a professional and effective treatment service and is one of the leading AOD treatment services in Western Australia.

Cyrenian House supports and upholds a robust standard of cultural competence by recognising cultural needs and reviewing programs to ensure they meet the needs of Aboriginal, Torres Strait Islander, CaLD and LGBTQI+ communities.

*All services provided
are confidential
and free of charge*

Cyrenian House acknowledges the past, present and future Traditional Custodians of this land and recognise our services are situated on Whadjuk Nyoongar Country and Yawuru Country.

Cyrenian House is certified against the Alcohol and Other Drug and Human Services Standard and the Australasian Therapeutic Communities Association Standard.

Serenity Withdrawal Unit

Serenity Withdrawal Unit (SWU) a unique partnership between Cyrenian House and Richmond Wellbeing designed to provide a self-contained low medical withdrawal service for people experiencing difficulties as a result of their substance use. The service offers a person centred “no wrong door approach” to support individuals experiencing alcohol and other drug and mental health related issues. We provide a safe supportive residential environment, where individuals can undergo a low medical withdrawal program to assist them to achieve their identified goals.

Cyrenian House

Cyrenian House is a not-for-profit, non-government alcohol and other drug treatment service. Cyrenian House offers a range of services both residential and non-residential to individuals, families and friends who are experiencing difficulties with alcohol and other drug use.

Richmond Wellbeing

Richmond Wellbeing is a leading mental health organisation that support people who experience challenges to their mental health and wellbeing.

As a registered NDIS provider, Richmond Wellbeing is here to share and support your recovery journey.

Services

- Individually tailored withdrawal program, in partnership with health professionals
- A structured but flexible program, including comprehensive assessment of needs and treatment planning
- 24-hour residential care and support with medical and psychosocial support offered by experienced AOD/Mental health clinicians
- Assertive referral to community-based support and counselling services where appropriate
- Referral to residential treatment and support services where appropriate
- Maximum length of stay 14 days
- A smoke free environment
- Free of charge

This service is suitable for:

Individuals experiencing problems as a result of their substance use, (including those experiencing co-occurring mental health and substance related challenges) who require;

- A short-term residential low medical withdrawal program, prior to attending residential rehabilitation program
- A short-term residential low medical withdrawal program , prior to returning to the community.
