As part of our educational program, we go for supervised walks around our centre and local community. We see the kangaroos, birds, and other wildlife all while getting lots of fresh air and during the year. This outing is within walking distance from our Service and provides valuable opportunities for children to explore the wider community and extend upon their learning. A detailed risk assessment and management plan has been conducted to protect children from any harm or hazard likely to cause injury. This is available at the Service upon request. Educators will monitor and supervise children at all times against an accurate attendance record.

Written authorisation is required by parents/guardians to allow your child to participate in the proposed regular outing. If any changes occur to the risk assessment or organisation, a new authorisation may be required.

Please sign the authorisation form below and return to management.
