Midland Withdrawal & Intervention Centre

Healthy,
inclusive and
harm-free
communities

Cyrenian House is a not-for-profit non-government organisation that has been operating within the alcohol and other drug (AOD) treatment sector since 1981. Cyrenian House has demonstrated an enduring capacity to deliver a professional and effective treatment service and is one of the leading AOD treatment services in Western Australia.

Cyrenian House supports and upholds a robust standard of cultural competence by recognising cultural needs and reviewing programs to ensure they meet the needs of Aboriginal, Torres Strait Islander, CaLD and LGBTQI+ communities.

*All services provided
are confidential
and free of charge*

Cyrenian House acknowledges the past, present and future Traditional Custodians of this land and recognise our services are situated on Whadjuk Nyoongar Country and Yawuru Country.

*Cyrenian House is certified against the
Alcohol and Other Drug and Human Services
Standard and the Australasian Therapeutic
Communities Association Standard.*

Midland Withdrawal & Intervention Centre

The Midland Withdrawal & Intervention Centre (MWIC) is a residential low-medical withdrawal service for people seeking support to withdraw from their alcohol and/or other drug use.

The six-bed facility operates 24 hours a day, 7 days per week, and is located in Eveline Street, Middle Swan. Consumers can stay for up to 21 days whilst undertaking a structured low-medical withdrawal program, which is focused on their individual recovery needs.

The service also offers support and referral for the families of people accessing the service.

MWIC is a smoke and vape-free environment. Support and assistance to remain smoke free is included in the program.

Cyrenian House

Cyrenian House is a not-for-profit, non-government alcohol and other drug treatment service, providing a range of residential and non-residential services to individuals, families and friends who are experiencing difficulties with alcohol and drug use.

Richmond Wellbeing

Richmond Wellbeing is a not for profit, non-government mental health service who provide a range of residential and non-residential services to individuals, families and friends to support their personal recovery journey.

Services

- Individually tailored withdrawal program, in partnership with health professionals
- Support for their families and significant others
- A structured but flexible program, including comprehensive assessment of needs and treatment planning
- 24-hour residential care and support
- Referral to community-based support and counselling services where appropriate
- Referral to longer-term residential treatment and support services
- Maximum length of stay 21 days
- Free of charge

This service is suitable for:

Individuals experiencing problems as a result of their substance use, (including those experiencing co-occurring mental health and substance related challenges) who require;

- A short-term residential low medical withdrawal program, prior to attending residential rehabilitation program.
- A short-term residential low medical withdrawal program, prior to returning to the community.
