## About us

The Midland Withdrawal & Intervention Centre (MWIC) is a residential low medical withdrawal service for people (over 18 years) requiring a withdrawal from alcohol and other drugs (AOD). The service offers a safe and supervised home-like environment where people are supported during the withdrawal process.

This service is suitable for people over the age of 18 years who are experiencing problems as a result of their alcohol and/or other drug (AOD) use, who require a low medical withdrawal:

- Prior to admission to a residential rehabilitation program
- Prior to returning to the community or attending non-residential treatment.

“ I can't express enough how grateful I am to have had the opportunity to attend the MWIC program. The organisation, without a doubt, saved my life. ”

## Program elements include:

- A structured and flexible withdrawal program
- Comprehensive assessment of needs and treatment planning
- 24-hour residential care and support
- Assertive referral to support and counselling services where appropriate
- Referral to residential treatment services where appropriate
- Maximum length of stay 21 days
- A smoke and vape free environment with supports to remain smoke and vape free.
