Assessment and Counselling:

- Conduct assessment and case management of consumers seeking entry to a Cyrenian House TC.
- Carry out internal and external referrals, as appropriate, including alternative treatment options, where Cyrenian House residential treatment is not considered suitable to the consumers needs.
- Provide support and/or referral for clients and their families.
- Assist in the development of appropriate resources for consumers assessing a Cyrenian House residential treatment service.
- Participate in ongoing review and assessment of consumer progress.
- Participate in shared case management and consultation with other service providers.
- Write reports as required on consumer participation and progress.

Group Work Education and Training:

- Design and deliver educational group sessions as required in order to promote confidence and skills development to support lifestyle change and address offending, addiction behaviours.
- Promote the Cyrenian House information session for consumers considering residential treatment via the Cyrenian House website.
- Facilitate and promote the Smoking Cessation Group for all consumers entering a Cyrenian House residential treatment service.
- Develop and deliver education and training to consumers, other service providers and community groups, where necessary.
- Facilitate therapeutic and educative group sessions as directed, including support for clients wait-listed for entry to a Cyrenian House residential treatment service.
- Provide support and training to partner agencies conducting external assessments for Cyrenian House residential treatment services including those in regional services and hospital based.

Teamwork and Agency Development:

- Demonstrate an ability to develop and maintain a collaborative working relationship with team members and colleagues.
- Develop and maintain professional relationships with referring agencies.
- Maintain close liaison with other service providers, both internally and externally in order to provide effective case management
- Provide support to other service providers to manage consumers with alcohol and other drug problems through shared case management and consultation.
- Maintain an appropriate level of skills and knowledge of drug trends, through regular training and research.

Representation and Stakeholder Engagement:

- Develop and maintain a working knowledge of AOD and other relevant agencies/services.
- Actively liaise with relevant agencies and other service providers regarding consumer progress and participation.
- Develop effective relationships with other Cyrenian House services as appropriate.
